About Steve Moon - Steve has been a frequent AKC and USDAA podium finisher throughout the years. Having successfully trained and handled many different breeds, Steve strives to use as many tools as possible to help each team succeed. Steve's philosophy is that you don't have to handle the way he does; he explains why he would handle a specific way, but it isn't "his way or the highway". Steve feels there are many tools to use in this sport, and his goal is to help handlers have as many as possible. The One Day Young/Green Dog Seminar will help prepare your dog for Novice and beyond. The Two-Day seminar will focus on AKC Master and Premier courses, addressing all the different skills needed in today's agility competition.
